ABOUT THE WORKSHOP

We feel privileged to invite you to a National Workshop on "Latex" to be held on November 06-07, 2017 in our college. All interested faculty members, research students of various institutions are expected to be the part of this big event. The basic objective of the workshop is to create awareness about the **LaTeX** used in scientific education and research. LaTeX is a document preparation system for high-quality typesetting. It is most often used for medium-to-large technical or scientific documents but it can be used for almost any form of publishing. Hence a proposed workshop will create awareness to research scholars and teachers. In this workshop, introductory lectures will be given on multi-application of LaTeX. Software is used for specific purpose which gives a flavour of how one can use this

software in their academic and research work. It is hoped that these research methodologies will be quite convenient for research scholar and academicians.

REGISTRATION

Registration will be done on first come first basis, because there are limited **50 seats** only. The registration fees can be remitted by DD/Local cheque drawn in favour of "Convener A/C" payable at Jamalpur, along with duly filled registration form.

- Faculty members: Rs. 1000/-
- Research students: Rs. 500/-

LOCATION

J R S College, Jamalpur is connected to the entire world through rail and road. It is located at about 4 KM north from Jamalpur Rly. Station on Jamalpur-Munger Road opposite Munger aerodrome, 5 KM from Munger Bus Stand situated on the same road. The train service is available up to Jamalpur Rly Station. Presently, one can reach the college campus by car or other commercial three-wheelers through two main gates easily.
